Police Investigate Man's Death at Apartment Complex

GRAPEVINE, Texas - Grapevine Police are investigating the death of a 26-year-old man who fell from a stairwell of an apartment complex.

On Friday, March 1, at approximately 7:30pm, officers were called to the 3700 block of Grapevine Mills Parkway. Friends told police they were helping someone move when they started walking downstairs from the third floor. They say Kyle Wolf was trying to slide down the hand rail when he slipped and fell to the ground below.

Wolf was transported to Baylor Scott & White Medical Center - Grapevine where he died.

There are no signs of foul play, and Wolf's death appears to be accidental. The case remains under investigation pending full autopsy results.
